Payments				-167.33
Past Due				0.00
Adjustments				0.00
Water Usage	861	873	12	47.40
Water Service				23.60
Sewer Usage				42.96
Sewer Service				60.90

Meter reading at the beginning of the current period.

Meter reading at the end of the current period.

Amount (in units) of water usage for the current period. One unit is 748 gallons.

Water and Sewer Services are flat rates that help defray the cost of maintenance and improvement for the City's Water and Sewer infrastructure. Water and Sewer Usage are variable, depending on the current period's consumption multiplied by the current per unit rate.

Total Due **\$174.86**

Please conserve water. Be sure your automatic sprinkler system is turned off for the winter. Now is the best time to plant native plants. To learn more call 259-2348.
Pick-up FREE faucet aerators, showerheads, leak detection tablets, guides and more at City Hall Public Works Counter.
