MILLBRAE RECREATION SUMMER CAMP FAIR

FRIDAY MARCH 3, 2023
1:00 - 6:00 PM

March 1, 2023 City of Millbrae and Longfellow to Celebrate groundbreaking at Avia Labs

Next week on March 1, 2023, the City of Millbrae, alongside Longfellow, will celebrate the groundbreaking of Avia Labs. This will be a state-of-the-art, all-electric life science center. Longfellow Real Estate Partners are one of the largest privately held investor and developer of life science buildings in the United States. The new 315,000-square-foot Class A lab will replace a former vacant storage facility. The City of Millbrae looks forward to welcoming the first all-electric life science campus in California to Millbrae.

This project will bring many jobs to the City of Millbrae and new business for our stores, restaurants, and hotels. This project and the adjacent Alexandria Campus will put Millbrae on the Life Science and Biotech Map!

FIX IT CLINIC MARCH 11TH AT THE MILLBRAE LIBRARY

City of Millbrae Environmental Programs, in partnership with the Millbrae Library and the San Mateo County Office of Sustainability, has organized a Fixit Clinic to be held on March 11, 2023, from 11 AM – 2 PM at the Millbrae Library.

Fixit Clinics are fun community-based workshops where neighbors, friends, and families work collectively to learn how to repair broken items. The main goal of Fixit Clinic is to get people comfortable disassembling their own broken stuff. The very acts of troubleshooting and inspecting an item often lead to figuring out how to fix it, and even if it doesn't, at least you learned how it broke. By sharing these skills while transferring them to others, we teach critical thinking through the lens of our relationship to consumption and sustainability.

MILLBRAE POLICE BUREAU

FROM MILLBRAE POLICE BUREAU:

The Millbrae Police Bureau would like to thank you all for including us in the Lunar New Year Festival.

We had tons of fun with everyone in our community and look forward to seeing you all again soon.

SLOW DOWN IN SCHOOL ZONES!

Chief Allen would like to remind everyone to slow down in the school zones.

It is important to obey all traffic laws around schools and watch out for our students.

This also serves as a reminder to stay off your cell phone while driving.

IF YOU SEE SOMETHING, SAY SOMETHING

We would also like to ask the community to alert us if you see any suspicious activity. If you see something, let us know by calling 650-363-4911. If you witness a crime occurring, please dial 911 so deputies can be dispatched.
