MILLBRAE GOES TO THE MOVIES

**TONIGHT
FEBRUARY 10, 2023
STARTING AT 6:30 PM**

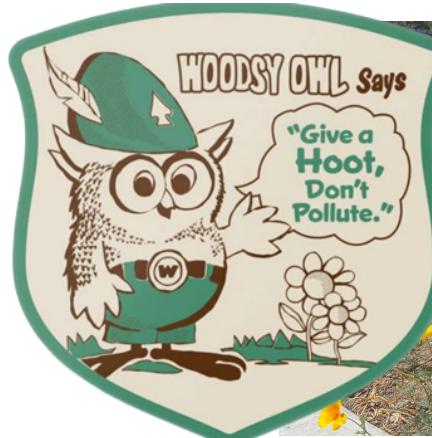

TOGETHER WE CAN KEEP MILLBRAE BEAUTIFUL!

The City of Millbrae is known as "a place in the sun," with a premier location nestled in the hills between the San Francisco Bay and the Pacific Ocean. The City has always made the cleanliness of our City a top priority and admires the efforts of our community to assist in keeping Millbrae clean.

Keeping Millbrae Beautiful is a team effort! Please help us keep our city clean by picking up your trash and placing it in the appropriate disposal bins. Cigarette butts belong in an ash tray and then in the garbage, not on our City streets.

We love our dog community in Millbrae and have several dog waste bags available for dog owners to use throughout the City. These dog bag dispensers are located throughout the City at the following locations; Central Park, Bayside Manor Park, Green Hills Park, Linear Park and Monterey Street, Meadows Park, Josephine Waugh - Soroptimist Park, Skyline Drive, and throughout the Spur Trail. If you see one that needs more bags, please let us know by utilizing our [Millbrae Works](#) request system powered by SeeClickFix.

COYOTES IN MILLBRAE

Coyotes are not uncommon in the City of Millbrae due to our desired environments of parks and open spaces. Seeing a coyote does not pose an immediate problem as they are a natural part of our environment. Some coyotes lose their fear of humans which then can lead to bolder behaviors by coyotes.

San Mateo County Mosquito and Vector Control do not trap coyotes but will advise residents and property owners about making their properties less attractive to coyotes and other wildlife. They can also direct property owners to the appropriate agency based on their assessment of the situation.

Please refer to the California Department of Fish and Wildlife's website to learn more about Coyotes and when a trapper might be needed.

<https://wildlife.ca.gov/Keep-Me-Wild/Coyote#583001222-safety-tips>

Generally, Coyotes being visible to the public is not a reason to call the California Department of Fish and Wildlife, but if they are damaging property or a resident is in danger, they should call the United States Department of Agriculture Wildlife Services at (916) 979-2675. If there is an imminent threat, call 911.

To help discourage coyotes from visiting your neighborhood and property, you can do the following:

- harvest ripe and fallen fruit
- keep garbage and compost in closed containers
- resolve rodent infestations or other conditions that may bring small mammals to your property – these are attractive food for coyotes
- if you keep rabbits or poultry outdoors, make sure they are in a cage or kennel where coyotes cannot reach them
- do not let small dogs or cats outdoors at night without supervision
- do not feed pets outdoors at night or leave pet food out overnight

CELEBRATING BLACK HISTORY MONTH

Millbrae City Council passed a proclamation on January 24, 2023, declaring February as Black History Month. The theme for the 2023 Black History Month is black resistance. African Americans have resisted historic and ongoing oppression in all forms, especially of racial terrorism. By resisting Black people have achieved triumphs, successes, and progress.

During Black History Month, we recognize and remember the many achievements and contributions made by African Americans to our economic, cultural, spiritual, and political development. Black History Month also affords a unique opportunity to further educate ourselves on the prejudice that still exists in our country and work together to overcome this inequality.

We encourage our community to participate in one of the many opportunities provided by various agencies and organizations throughout the County to continue your education and honor Black History Month.

San Mateo County consolidated an array of information and opportunities to further educate and participate in the celebration of Black History Month please visit <https://www.smcoe.org/for-communities/black-history-month.html> for more information.

In addition, the San Mateo County Library invites residents to celebrate the history, culture and achievements of our Black and African American communities with a wonderful slate of programs all throughout the month! For more information, please visit: <https://smcl.org/blogs/post/celebrate-black-history-month-with-us/>

Join San Mateo County Parks Tomorrow, February 11, 2023, for the Sam McDonald History Hike starting at 9:00 AM. Space is limited to reserve your spot, visit: <https://www.eventbrite.com/e/sam-mcdonald-history-hike-tickets-518111023017>
