THANK YOU PUBLIC WORKS!

Thank you to all of Millbrae Public works for their dedicated service around the clock to prepare, and maintain Millbrae's infrastructure for storm management. Due to their diligent work Millbrae was able to withstand the storms thus far with isolate flooding,

and a few fallen trees.

Crews will continue clearing storm drains and making sure the storm and sanitary sewer pumps are all primed and ready for use. City crews have been inspecting the trees and will continue to evaluate them during and after the storms.

MILLBRAE PUBLIC WORKS SANITARY SEWER LATERAL REBATE PROGRAM

City of Millbrae is providing rebates to assist property owners with the cost of upgrades made to their sanitary sewer laterals in order to meet current Millbrae Municipal Code requirements. Recently separated and/or replaced joint sanitary sewer laterals, sewer laterals that are required to upgrade to current City code, sewer laterals at risk of overflowing and broken sewer laterals, may qualify for a rebate from the City in the amount of 20% or up to \$2,000. Funds are limited and are available on first come first serve basis. Each residence is limited to one rebate from the City.

MILLBRAE POLICE BUREAU

FROM MILLBRAE POLICE BUREAU:

The Millbrae Patrol Bureau would love to wish all of you a very happy and healthy new year.

We want to remind everyone to drive carefully. The weather conditions make the roads a little rougher to navigate, so take your time, obey the laws and plan your drive so you arrive to your destination safely.

January 9th marked National Law Enforcement Appreciation Day and we would like to thank the residents in the City of Millbrae for all the support they always show our bureau.

The start of the new year reflects new beginnings and we encourage everyone to start the year off on a healthy and happy note.

*Happy
New
Year*
