

Maurice Goodman, Vice Mayor

Coming to the City of Millbrae with a wealth of knowledge and experience in leadership, team building, and ethics, Maurice was recruited to disrupt the status quo of business as usual. His relationships throughout the county, region, and state have benefitted our city and enhanced our opportunity to build stronger, more meaningful coalitions to move Millbrae forward as a destination city, creating a solid fiscal future.

As a passionate advocate for all Millbrae residents, with a compassionate focus on the unhoused, historically underserved small businesses and the prosperity and safety of all visitors and residents, Maurice is the right person right now to help lead our wonderful city.

Vote no to recall Maurice Goodman and take a stand for human rights. The Statue of Liberty's 1886 inscription reads, "Give me your tired, your poor, your huddled masses yearning to breathe free, the wretched refuse of your teeming shore. Send these, the homeless, tempest-tossed to me; I lift my lamp beside the golden door!" Millbrae's that golden door and some folks coming through need a little bit more of a helping hand than others. No matter what we look like, how much we earn, or where we lay our heads down to sleep. We can come together to create a thriving community in Millbrae. We can create opportunities for our most vulnerable neighbors and safety for our children.
