

Recall Candidate Statement:

Angelina Cahalan Age: 46

Occupation: Non-Profit Program Director

Education & Qualifications:

I believe that a recall is not beneficial to the City of Millbrae and ask that you vote no on recalling me.

This recall creates a financial burden on our city, creates leadership gaps, and does not solve any problems. If the recall succeeds, my replacement could be appointed by the remaining council and not chosen by you.

My vision and goals have not changed. I continue to be passionate about making sure my neighbors' voices are heard, that concrete actions are taken to address their concerns, and helping all Millbrae residents and businesses thrive in our city.

I am an adept communicator accomplished in working with individuals from diverse backgrounds across the community, local government, and small businesses. I have used my work experience in disaster resilience, and community organizing to work for the most vulnerable members of our community, including our elderly neighbors and youth.

Please allow me to continue working for all the needs of Millbrae residents, including keeping everyone safe, growing our economy, and making sure Millbrae is the best version of our city for years to come. Vote no on recalling Angelina Cahalan.
