FISCAL YEAR 2024/25 LEVY SUMMARY

The City of Millbrae (the “City”) was founded in 1856, incorporated in 1948 and operates as a General Law City serving a population of over 23,000. The City is located on the California Peninsula, 15 miles south of San Francisco. The boundaries of the City extend roughly from the Bayshore Freeway on the east to Skyline Boulevard on the west. This distance is approximately 1.7 miles. The distance between the north and south City limit line is approximately 2.05 miles. The City provides a full range of services including, but not limited to, sewer utility services.

Millbrae’s sewer utility is a self-supporting enterprise that relies primarily on service charge revenues to meet annual funding needs. The sewer service charge provides funding for sewer system operations, maintenance, debt services and capital improvements to the City’s aging sewer collection system and wastewater treatment plant. Like many Bay Area agencies, the City has a lot of aging sewer facilities including many pipelines that were installed 50 to 80 years ago and will need to be rehabilitated or replaced in upcoming years. The City has identified over \$30 million of high-priority capital improvements needed over the next five years to rehabilitate and replace aging infrastructure, address capacity deficiencies, and improve wastewater system reliability. The City remains committed to operating as cost-effectively as possible while providing safe and reliable sewer service to the community.

To bolster consistent receipt of revenues and reduce staff time in preparation of customer billings, the City of Millbrae adopted Ordinance No. 802 authorizing the collection of sewer service charges to the County tax roll commencing with the 2023/24 Tax Year. An annual Public Hearing was held on July 9, 2024, during which the City Council adopted Resolution 24-57, authorizing the collection of sewer service charges for the 2024/25 Fiscal Year.

The following table provides a summary of the Fiscal Year 2024/25 final levy amount.

Description	Parcel Count	Account ID Count ⁽¹⁾	FY 2024/25 Levy
Sewer Service	6,743	9,366	\$15,563,969.12

(1) Parcels may possess multiple meters. Conversely, meters may be shared by multiple parcels. Meters may be subject to division into individual account numbers for calculation purposes.
