Environmental Programs Division

This Halloween, Millbrae Environmental Programs is shining a spotlight on the scariest monster around — plastic waste! To tackle this growing problem, we're inviting all Millbrae students, from Kindergarten to High School Seniors, to get creative by transforming leftover candy wrappers or other recycled materials into incredible art pieces. And yes, prizes are up for grabs!

How to Participate:

- Create your art using recycled materials like candy wrappers.
- Submit your entry between October 1 and November 15 to Millbrae Environmental Programs at Millbrae City Hall (621 Magnolia Avenue), Monday to Friday, 8:30 AM to 4:30 PM.

Judging Criteria:

- Theme
- Originality
- Effort

Prizes:

One winner from each group (Elementary, Middle, and High School) will win a prize valued at up to \$50 in gift cards and will be recognized at the November 26 City Council meeting!

Got extra-clean candy wrappers you want to donate for this cause? You can drop them off at the Public Works Counter at Millbrae City Hall. Need more wrappers? Call us at (650) 652-2706 to check availability.

For more information or questions, email us at environment@ci.millbrae.ca.us or give us a call at (650) 652-2706.

Let's turn trash into treasure this Halloween!

Millbrae Stands United Against Hate

As a inclusive and diverse community, Millbrae proudly joins the national movement, United Against Hate Week, from September 21st to 27th to stand up against hate, bias, and intolerance. This week of action serves as a reminder of our commitment to fostering inclusivity, compassion, and unity.

United Against Hate was created by civic leaders in direct response to the sharp rise in expressions of hate in our communities. We want to empower local residents to take action in their local communities and alter the course of this growing intolerance.

Join us! You can post signs, host events, share stories, attend rallies, and connect with schools and neighborhood civic institutions. Nothing is too small, because working united in each community is what will defeat hate in all communities.
