Millbrae Honors Service with Veterans Day Salute

Veterans Day dates back to November 11, 1918, when an armistice ended World War I at the eleventh hour of the eleventh day of the eleventh month. Initially celebrated as Armistice Day to honor WWI veterans, Congress expanded the holiday in 1954 to recognize all American veterans who served in any war or peacetime. Unlike Memorial Day, which honors those who died in service, Veterans Day celebrates all who have worn the uniform of the United States Armed Forces.

This year, the City of Millbrae continues this tradition of gratitude with its Veterans Day Salute and Flag Raising ceremony on Tuesday, November 11, 2025, at 9:00 a.m. at The Plaza on 500 Broadway. The community event invites residents to honor and connect with local veterans over coffee and refreshments. All community members are welcome to attend this celebration of service and sacrifice.

Marina Vista Sewer Project Update

Project Information

The 2024 Marina Vista Sewer Replacement and Pavement Rehabilitation Project will replace and upsize deteriorating 6- and 8-inch sewers with new 8-inch sewers and rehabilitate pavement in the Marina Vista and Millbrae Highlands neighborhoods. Selected locations were identified in a 2014 Wet Weather Alternative Analysis due to high rainwater inflow and disrepair. The project includes ADA ramp installations near Lomita Elementary School and coordination with San Bruno roadwork along Santa Helena Avenue.

Update

Work on the project will continue on Wednesday, November 12, the day after Veterans Day.

- Work areas will include Landing Lane and San Anselmo Avenue.
- The Project will address drainage issues and the poor condition of existing infrastructure.
- Concrete curbs, gutters, driveway aprons, and drainage inlet surfaces will be replaced as part of this effort.
